

HAUT-LAC INTERNATIONAL BILINGUAL SCHOOL

SCHOOL PROFILE

WHAT WE DO

We nurture talent, foster happiness and create futures. We give learning meaning and purpose by encouraging students to use and experience it in real-life situations both in and out of the classroom.

And in doing so, enable them to become passionate, 21st century global and digital citizens, who enjoy learning, finding solutions and playing their part in creating a better world.

WHO WE ARE

We are a local international community of 600+ students and 100+ educators, who work, study and play together in both French and English on a daily basis.

This constant exposure to our two working languages enables our 600 students to master the basics and/or become conversationally fluent very quickly, even those whose mother tongue is neither English nor French.
